In attendance

Sidra Lewis- President
Brennan Horvath- Membership
Sarah Marble- Tennis
Erika English- Communications/Secretary
Erin Smith- Swim
Rebecca Barens- Treasurer
Nikki Wagner - Grounds
Kelly Salter- Club Manager

Updates:

President: no reports

Membership: Sold 4 since last meeting. 26 bonds sold total for the year.

Manager: Will be putting out some yard games on the grassy area. Will obtain a storage bin for them. Did have an issue with a blocked fire lane at a swim meet. Fire marshal came out to evaluate and checked the club. Their findings: curtain needs to be removed from in front of the water heater.

Swim: all home meets are done. Thank you to everyone for support. Last dual meet tomorrow away at Beechview. Finals are the next couple of weekends. In good shape with sponsorships for the finals ads. Movie night scheduled for Saturday- open to the entire club. Working towards more fundraising ideas. Concession sales are the best they have been. Small team this year- running smoothly.

Tennis: difficulty with rain/weather interfering with practice and matches. A new vendor is in place for t-shirts. 45 kids on the team this year. Aug 2 banquet. Gold/Silver/bronze cup at the end of the season. Season $\frac{2}{3}$ of the way through. Going well otherwise.

Grounds: Final piece of fencing going in Monday. Looking into possible arborvitaes around the surge tank. Sink working out well in the office area. Working on weed control on the pool deck and parking lot. Basketball hoop getting a lot of use. New fencing to go in next year - will have it higher up to avoid basketball going into the parking lot. No plumbing issues. Consider SUG for club garden/maintenance. Need to get the microphone and additional speakers near the pavilion. Looking into better wifi/coverage. The parking lot is in rough shape; will need to be addressed in future.

Treasurer: Expenses increased this year but budgeted well for it. Will reach out to members to see what their requests are that would like to be seen/done around the club. Pickleball success thus far. Will offer a fun league - details tbd.
