Grounds: Meeting with the fence company on Saturday for deposit. Fence company will be working on completion of the new fence and repairs from prior work done. New fence installation to begin within two weeks. Annual Club Clean-up Date: May 4th, rain date May 11th, 9-12noon. Sign-up genius to follow. Plan to contact Paulson’s to get an updated quote for the microphone.

Swim Team: Pre-season parent meeting 4/16 at 7pm at the Farmington Hills Community Library (located on 12 mile). Facebook/email updates to be sent soon. Still are in the process of finalizing coaches. Head coach is Mattie Smith (returning); interviews for assistant coaches this week. Goal for the first practice is May 13th. Attended NSSL meeting. Summer team kick-off meeting & team pictures June 6th. Dining fundraiser: June 22nd. Details on dates/times/locations will soon be sent/posted.

Tennis Team: Tennis pro joining us as head coach this year is the coach from North Farmington High School Andre. Match schedule has been set and will be posted on the website soon. Assistant pro, Michael from last year will be returning as assistant and has availability for more hours.

Treasurer: As of the meeting date, 44 bonds have not yet paid. This is very high for this time of year based on the anticipated number of bonds to be sold. We anticipate that there will be roughly 20 bonds available due to bond turnover without paying. Will send one last invoice to unpaid memberships. As of March 31st, any bonds that remain unpaid will be forfeited.

Secretary: Website to be fully updated in the next couple of weeks. Lifeguard and swim coach positions are posted on Indeed. As we are nearing the swim season, plan to send out weekly update emails to all members. Members-only Facebook page monitored. We get dozens of non-members/fake account requests for new members that take time to review.

Manager (updates emailed):

-Several lifeguards are returning this season. Job posting is up and running on Indeed to hire 3-5 more.

-I will run a lifeguard training class hopefully the first or second weekend in May at Groves. Once finalized, it will be publicized. Erika to be notified

-Aqua Source will open the pool at the end of April; exact date TBD.
