### Woodbrooke Water Warriors

Woodbrooke Hills Swim and Tennis Club runs a swim team for its **members' children**. Our club participates in the NSSL (Northwest Suburban Swim League). Swim practice begins after school in mid-May and then shifts to mornings once school has let out. Swim meets run from mid-June through the end of July. Registration of swimmers for the team includes the following meets: 6 dual meets, an age appropriate mini meet (8 & Under, 9-10, or 11 & Up Relay) and B Finals or A Finals.

Our goal in maintaining a swim team is to offer a safe, fun and organized summer swim team experience for our members' children. While winning is always exciting, our focus is on providing positive swimming experiences and nurturing strong friendships among the swimmers while improving each individual swimmer's ability.
