

Woodbrooke Hills Board Meeting
January 14 2026
(via Video)
6:30pm

In attendance: Sidra, Dan, Rebecca, Karl, Sarah, Erika, Alex

Board updates:

President- no updates, had a request for pavilion rental today.

Vice President- no updates

Treasurer- Dues collection has started. Have collected about 100 member dues thus far, a bit ahead compared to this time in most years. There were several credit cards declined during the autopay for numerous reasons. This is being followed up on. Emailed invoices have been sent. Will send an additional email prior to mailed invoices to save on postage. Working on the documents needed for filing taxes. Rebecca will start checking the mail every other week. It was checked this week; nothing to report. Dues will be due March 1st. Dues that are unpaid by March 1st will incur a late fee. If the dues remain unpaid after 30 days, they will become club owned. We generally anticipate about 10 club owned. Early morning swims begin in May, after the club opens; details to follow.

Membership- Since pool closure, we have 18 sellers on the sellers list. We have closed 11 bonds; one is pending (due to close today). 4+ members interested in the premier pass. Karl is working on a draft for Premier Pass and Welcome Letter for new members.

Grounds- pool deck concrete work deposit made. Once weather warms up, will have concrete, speakers, and Goddard work done for grounds. Weather dependent, looking to have some early weekend swims prior to Memorial Day. Club clean-up date options are being reviewed but anticipate it will be by late April/early May.

Swim- Superbowl squares for swim team fundraiser to be sent soon. Additional fundraising opportunities will be presented. Meeting with Coach Kate soon to outline the season calendar, and we are confirming assistant coaches and/or need to hire.

Tennis- Coaches still confirmed. More updates to come out in April.

Secretary- To update the rules and regulations on the website in addition to other website updates. Updating PeachJar flyers for February to go out to the schools. Will discuss with the current FB page (Kelly?) on working together to do more posts for the community and link an instagram account with it.
