

Board Meeting
June 10 2026

Present: Erika, Karl, Sarah, Rebecca, Erica, Jill, Sidra, Alex via phone

Updates

President: No updates.

Membership: Bonds sold since last season: 46 sold. 6 families on the waitlist. Erika to update the website to reflect the wait list as opposed to having bonds available. Waitlist members have a \$150 fee to get on the formal wait list. That will go towards the admin fee. It will be non-refundable. We have 6 senior memberships in use thus far.

Treasurer: All bond sales are in the system. We are up to date with payments for everything. Lawn was paid for today. One more payment due for Goddard. Concession sales are going well. Considering pizza to be added to the concessions as well (possibly Friday).

Tennis: Season starts Monday. Had a pro clinic on Saturday, June 6th. There was a good turnout for the clinic. Match schedule is posted. Will get numbers of registrants soon

Swim: Swim season is underway. 82 swimmers on the main team/ 12 pre-team. Very excited for team growth. The mock meet was 6/6 and successful. Projecting an overage with the budget of approximately \$4000. Will be requesting a check in July for championship season as we approach it. Swim lessons are going to start next week for evening and the following week will include the morning session. Several families have signed up thus far.

Grounds: Basketball court in the process of being painted. Should be finished this week. West Tennis courts will have repairs as well. A new pretzel machine is coming (a proper warmer and humidifier is needed).

Pickleball: to start July 9th. Details to come
