

Woodbrooke Meeting 3/11/26

In attendance: Sidra, Sarah M., Erica S., Jill, Rebecca, Dan, Alex

Dan: All 3 assistant managers are not returning. The funbrellas parts are ordered. Alex found kids breaking into the pool, if it is still available he will forward to Sidra or Dan to move forward.

Sarah: Head and assistant pro are returning, schedule will be posted soon with Erika. Sarah is going to see if parents want changes to tennis with regard to practice times and lessons.

Erica/Jill: Parent meeting is coming on April 7th. Erika will send a notice to families. May 11 swim practice will start, in June they'll have morning practice. There are 3 home meets and a mock meet, scheduled already. Coach Sydney, Kate are coming back, then there is another assistant coach coming. There is a revision to sponsorship packets and will be forwarded out to the club soon.

Alex: None of his stuff is started yet. Concrete and bball courts are to start soon. Paulsons was out to figure out the internet and speakers, we will do a deposit soon. Cleanup day is April 18/19 or 25/26 which will allow for opening.

Sidra: Member is asking if we can extend more hours to earlier to avoid naps. Erika could send a survey to see when a day would be. This conflicts with swim, but weekends could work, or a Saturday morning parent & me swim class. Sidra will ask Kelly. Erica is going to do different categories for swim lessons. Evenings were well received so they are going to do those lesson times.

Rebecca: We will likely end up owning 6 bonds (we own 2 already). About in line with what we expect.

In person meeting next time, April 8th.
